

BRISBANE GRAMMAR SCHOOL

Scholarship and Bursary Application

SCHOLARSHIPS AND BURSARIES

Brisbane Grammar School (BGS) has a long tradition of offering scholarships and bursaries to students who have demonstrated they have the potential to derive benefit from a BGS education.

What is the difference between a scholarship and a bursary?

- The purpose of a scholarship is to attract talented students who will enhance Brisbane Grammar School's education programs and positively contribute to the School's culture. There are three (3) types of scholarships: Academic Scholarships, Sports Scholarships and Cultural Scholarships. Scholarships are funded by the School.
- The purpose of a bursary is to provide financial support to a student whose family would not otherwise have the financial means to afford a BGS education for their son and who can positively contribute to the School. Only those students who meet the strict needs-based requirements are eligible for a bursary. Bursaries are funded by the BGS Bursary Fund.

SCHOLARSHIPS

Academic Scholarships (Trustees' Scholarships)

BURSARIES

Brief Description

Brisbane Grammar School has a longstanding tradition of providing financial support to well-rounded students whose families would not otherwise have the financial means to afford a BGS education. All bursaries are means tested, and all applicants are required to complete an external financial assessment, with links provided to families after the application deadline.

BGS has partnered with an organisation that assesses bursary applications, and all applications are reviewed by an external assessor. Bursaries are offered annually to students entering Years 7 to 11.

Funding

The provision of bursaries is funded by the BGS Bursary Fund, and the amount is reviewed annually by the Board of Trustees. Donations to the BGS Bursary Fund are invested under the governance of the Finance Committee of the Board of Trustees with a view to preserving the underlying capital and funding bursaries from investment earnings.

The BGS Bursary Fund is a Deductible Gift Recipient for taxation purposes and receives donations from generous supporters to provide broader access to a BGS education.

Eligibility

To be eligible for a bursary, a candidate must:

- complete a financial assessment (details provided after the application deadline);
