For overseas students, the Board of Trustees has endeavoured to set fees which will cover, as far as possible, all tuition expenses except textbooks and uniforms. The Schedule of Fees for overseas students is higher than the schedule for Australian students because Australian students receive both Federal and State Government per capita recurrent funding. There are also additional administration costs for overseas students.

Commencement During a School Year

If a student commences at BGS during the school year, whether as a day student or in Boarding, all Tuition, Boarding and Digital Levy Fees, where applicable, will be charged based on an even quarterly (per term) basis. This will be calculated from the start of the term that the student has commenced, unless otherwise agreed in writing.

Overseas Student Health Cover (OSHC)

As required by the Department of Immigration and Border Protection (DIBP), OSHC must be arranged for the duration of a student's visa prior to the student visa being issued. The School does not arrange OSHC for students. Parents are free to choose their own health insurance provider. One such authority you may consider is Medibank Private.

Uniforms / Textbooks / Stationery

School uniforms are available for purchase from the Grammar Shop, which also stocks a limited range of textbooks and stationery. For a wider selection, families are encouraged to order textbooks and stationery through Campion (www.campion.com.au). Based on current pricing, families can expect to spend approximately $1,000–$1,200 on uniforms for the school year, and an estimated $360–$420 on textbooks and stationery for Middle School entry-level requirements. Many stationery items can be reused from year to year.

Payment of Fees

If your son's application for enrolment is successful, a Written Agreement will be issued. Included in this Agreement are the School's conditions of enrolment, which include payment of the following fees:

- A non-refundable Application Fee of $680
- A non-refundable Confirmation Fee of $3,250
  This fee is not deducted from Tuition Fees. The Confirmation Fee is non-refundable except in cases of visa refusal where the fee will form part of the calculation for any refund owed. Refer to the 'student visa refusal' section of the BGS international refund policy.
- An advance payment of 50% of the Tuition Fees, 75% of the Boarding Fees and 100% of the Digital Levy in the year prior to commencement with the balance to be paid by the 15 February of the first year. Thereafter, fees must be paid in full by 15 February of each year.

Full details of the required payments and other conditions of enrolment are provided in the Written Agreement. The School provides a range of options for payment, including via the internet using BPay or the School's online payment portal, or credit card (Visa, Mastercard). These options will be fully explained on your fee statement. Credit card payments remain available during 2027 but will cease from 1 January 2028.

Note regarding unpaid fees: In accordance with the Written Agreement, the School reserves the right to cancel or suspend an enrolment if fees are not paid as and when they are due, unless prior arrangements have been agreed in writing.

Fee Payment Terms and Conditions Specific to Full Fee-Paying Overseas Students

1. Individuals who are party to a Student Enrolment Agreement with the School accept full financial responsibility and are jointly and severally liable for the student's tuition fees and any other costs associated with the student's enrolment at the School. This means that each individual who signs the Student Enrolment Agreement accepts financial responsibility and is personally liable for the full amount owed to the School. Where more than one individual signs the Student Enrolment Agreement accepting financial responsibility (for example, where both parents sign) the School may at its absolute discretion elect to pursue any signatory for the full amount owed.

   Where the School is provided with a Court Order which provides for an alternate arrangement (as between the parents) for payment of the student's tuition fees and any other costs associated with the student's enrolment at the School, the School may act on the Court Order at its absolute discretion, to the extent permitted by law and will act in accordance with the Court Order as required by law.

2. Fees must be paid in full by 15 February each year.

3. Receipts are not issued for payment of fee accounts. They are available online from the Parent Portal.

4. Where fees are not paid by the due date, they will be considered overdue and will be subject to an Overdue Account Fee.

   Should the fee payment be dishonoured, a Dishonour Fee will apply. If the dishonour is not rectified within a week, the full amount will be considered overdue. The normal debt collection process will also commence.

5. Overdue accounts will result in a review of the student's continuing enrolment. The School may, at its absolute discretion, terminate/suspend a student's enrolment where any tuition fees and charges levied by the School, including any fees and charges required to be paid prior to the student's commencement at the School, are overdue and remain unpaid. The rights and remedies of the School in this regard will not be prejudiced or affected by any extensions or other arrangements previously granted to the parents.

6. A student will not be permitted to attend cocurricular or sporting excursions, tours or camps unless all amounts owing to the School (including the costs associated with the excursion, tour or camp) have been paid in full by the date(s) any such amounts are required to be paid.

7. **Legal costs incurred in the collection of outstanding fees and charges will be recoverable in addition to Overdue Account Fees. Any legal costs and any Overdue Account Fees will be recorded as separate items in fee account statements.**
