### Brisbane Grammar School ATAR results 2024 – An Exceptional Year

#### 2024 ATAR Results - An Exceptional Year

Friday 13 December 2024

The 2024 ATAR results have been released for Brisbane Grammar School's senior cohort, delivering an outstanding outcome across the board, including a median ATAR of 95.40.

This exceptional outcome is particularly noteworthy given the size and diversity of BGS' non-selective senior cohort of 262 boys, and reinforces Wednesday's fantastic QCE results, as follows:

- 41 perfect scores of 100/100 were attained across 11 different subjects.
- The median subject score for all BGS Seniors across all subjects is 89/100.
- 75% of BGS Seniors earned a grade of 'A' in at least three of their six subjects.
- Of the 262 students in the cohort, five students achieved an ATAR rank of 99.95, and five students secured an ATAR of 99.90.

#### Further ATAR highlights included:

- Over 19.2% of students received an ATAR of 99 and above.
- Over 29.3% of students received an ATAR of 98 and above.
- Over 51% of students received an ATAR of 95 and above.
- 41 perfect subject scores of 100/100.
- 78 students received an A in six subjects (30% of the cohort).

Deputy Headmaster, Teaching and Learning, Steve Uscinski says, "The School's commitment to a culture of thinking, combined with our dedicated teaching staff, academic support teams, and educational leaders have fostered an environment of holistic development, ensuring our students achieve excellence both in and outside the classroom."

BGS Headmaster, Anthony Micallef adds, "The success of BGS students also reflects the some of our highest levels of engagement across all cocurricular sports and activities, which play a vital role in developing well-rounded individuals. Participation in these programs is a
