Moogerah

A Place That Shapes Young Men

For nearly five decades, Pepperina Hill, on the shores of Lake Moogerah, has been a defining part of the Brisbane Grammar School experience. Set within the breathtaking Scenic Rim, this much-loved outdoor education centre has helped generations of boys grow in confidence, resilience and leadership. As Moogerah approaches its 50th anniversary in 2026, we have a once-in-a-generation opportunity to honour its remarkable legacy by renewing the site for the future, ensuring it continues to inspire and support boys for decades to come.

The Vision

Brisbane Grammar School is embarking on a significant restoration of Moogerah to ensure the centre meets contemporary safety, accessibility and wellbeing standards, while preserving the natural beauty and unique character that make it so special.

Join us in shaping the next **50** *Years* of Moogerah.

Key Upgrades

- Six dormitories (6 beds each) to support improved pastoral care and student wellbeing
- A new, safely located workshop facility
